

If I were in  
the circus,  
I would be  
...

Ten dogs  
got out of a  
small car  
and...

It made me  
smile to see  
the  
clowns...

I saw a  
tiger ...

Ben's dad is  
an animal  
trainer for  
the circus.

The circus  
train broke  
down and the  
animals  
escaped.

The best part  
of going to  
the circus is...

How can I  
earn money  
to buy a ticket  
to the circus?

There was an  
elephant in  
my backyard  
this morning.

I saw big  
muddy  
footprints all  
over the  
kitchen floor.
