You are about to embark on a Gingerbread Adventure!

You will be involved in the planning, design, and building of your very own gingerbread cottage. You will have only $1 to spend on supplies to make your cottage, so plan and budget carefully! Everyone must purchase 4 graham crackers (you might want to plan on an extra or two in case of breakage) for the walls, and a scoop of frosting to hold it all together. The rest is totally up to you. You may only use those items that you have purchased (or have money left over for) on your cottage.
