

# ME Bag

Your homework for tonight is to fill your **ME Bag** with things that tell something important about you. You will share your items with your classmates this week so they can learn about you and the things you like.

## There are some rules to follow:

1. Only bring things that fit inside the bag.
2. The items can't be too heavy - you should be able to carry the bag yourself.
3. Only bring items that can be left at school for the week.
4. Bring no more than 5 items.
5. Make sure you can use each item to tell something important about yourself!
