Imagine that you are a nice, plump turkey at the turkey farm. Tomorrow, Farmer Frank is coming to pick out a turkey for his Thanksgiving dinner. Write a persuasive essay to convince Farmer Frank not to choose you (or any other turkey for that matter!) You must give at least **three good reasons** why you would not make a good Thanksgiving dinner and give **details to support each reason**. You should also **suggest an alternative meal** that the farmer and his family could enjoy.
